QUANTITY SURVEYING RESEARCH AND INNOVATION (QSRI 2024)

Keynote Speakers

Professor Sr Dr Mohammad Fadhil Mohammad

Professor Sr Dr Mohammad Fadhil Mohammad is a distinguished academic at Universiti Teknologi MARA (UiTM) in Malaysia, serving as a Professor in the School of Construction and Quantity Surveying with over 33 years of experience in Malaysia and the UK, he possesses a wealth of knowledge in construction procurement, evidenced by his PhD from Loughborough University. Prof Fadhil's contributions extend beyond academia; he has been involved in industry advisory roles, including membership in the Technical and Research Committee at CREAM, CIDB. Additionally, he is a Certified Industrialised Building System (IBS) Master Trainer and has served as an External Examiner for various QS degree programs at esteemed Malaysian universities. As a Fellow and former Council Member of the Royal Institution of Surveyors, Malaysia (RISM), he continues to impact the profession through his expertise and leadership.

Fiona Doherty

Fiona Doherty is a seasoned Director at Rider Levett Bucknall (RLB) in Canberra, Australia, boasting over 35 years of experience in property and construction management. She is a Chartered and Certified Quantity Surveyor with a diverse portfolio spanning the UK, Singapore, Ethiopia, and Australia. Fiona excels in project management, cost control, financial reporting, and team leadership, adeptly navigating both public and private sector dynamics. Recognized for her achievements, she received the AIQS Infinite Value Professional of the Year Award in 2014. Fiona holds a Bachelor of Science (Honours) in Quantity Surveying from Nottingham Trent University, UK, and is actively involved in professional associations, including serving on the Director's Board of the National Association of Women in Construction.

QUANTITY SURVEYING RESEARCH AND INNOVATION (QSRI 2024)
