Personal Information

Emma Marinie Ahmad Zawawi,
Centre of Studies for Construction
Research Interest Group: Tropical Building Performance (TROB-P)

Academic Qualifications

PhD 2006, The University of Manchester, UK
Master in Building Technology, 2000, University of Science Malaysia
Degree of Science in Housing, Building and Planning, 2019, University of Science Malaysia
Certificate in Building Services Engineering, Politeknik Sultan Abdul Halim Mua'dzam Shah

Professional Members

- [1] Royal Institution of Surveyors Malaysia (RISM), Graduate Member, since 2014
- [2] Malaysia Board of Technologies, Member, since 2018

Teaching and Learning

- [1] Undergraduate Program
 - BCM414 Construction Technology,
 - CMA603 Research Methodology,
 - BCM544 Construction Technology IV,
 - CMA543 Sustainability and Large Scale Construction.
- [2] Postgraduate Program
 - ICP853 Research Methodology and Methods

Student Supervision

PhD
